26 September 1969

Commanding Officer Pine Bluff Arsenal Attention: S.M.U.P.BB.	
Pine Bluff, Arkansas 71601	
Dear Sir:	
The Estional Photograp	phic Interpretation Center (MPIC) is presently
under contract with	in an effort to es-
Bromaisance Tue	gery. This effort is a part of a larger
Intelligence Community effo	ort; the primary participants being the United
States Air Purce (Rome Air	Development Center) and Central Intelligence
Agency. The effort consist	s of making overflights of specific facilities
or mational interest during	a five-day period while ground truth teams certain parameters within the facility.
The constitution more artific	certain parameters within the facility.
As you know, Pine Bluf	I Arsenal has been chosen as one of the
Pacilities of Mational inte	rest and it is therefore requested that
permission be granted to ma	ke the overflights and ground measurements.
Avenily, the overlights sh	could be made early in November 1969, but of fact that the flights should be made while the
